IIC calendar year, it further limited HEIs in terms nature and mode of activities conducted, and quality participations in comparison to physical mode of activities, further there is drastic reduction in on-campus engagements for innovation and startup generating activities during the period, a normalization approach was applied towards star allocation. Therefore, for the 2020-21, the maximum stars any institution can obtain is 3.5 out of 4 stars allocated . Similarly, for the 5th star, considering the criteria (mentioned in the performance card), the maximum star any institution can obtain is 0.5 star score out of 1 upon fulfilling majority of these requirements. Institute can check the stars obtained in respective sections and total stars obtained at the top of the performance card. This applies to all IIC institutions irrespective of categories they belong to.
